

Dear members,

The directors of the Association des chasseurs et pêcheurs de Gould (the Club) would like to wish all of you a prosperous and healthy 2025!

As an executive, we look forward to another year on the club and serving the members.

2024 Deer Season

As voted for at the 2024 Annual General Meeting, this past 2024 deer season saw a change in that there were designated zones where drives took place. The drive zones that were initiated this year were generally well received by the members that voiced their perspectives. Discussions about the changes we made for this year will continue and members will be informed about these progressions.

All in all, it was a successful season with 13 deer harvested on the club. Considering all the cutting and work by DOMTAR, that is promising.

Please feel free to contact any of the members of the directorate with other comments and/or concerns about this initiative.

2025 Membership

For the 2025 season, we are looking to add more members to our club. We believe our club is best served with new members that are family and/or friends of our current members. We look forward to adding quality members to our club for 2025.

Please refer anyone interested in joining to our website.

There will be no increase in the membership fees this year. Those members that took part in a work weekend in 2024 and contributed back to the club will receive a \$50 reduction in their membership fees.

Memberships are now available for 2025. The deadline for confirmation of membership renewal is March 31st, 2025!

2025 Annual General Meeting

Once again we will be meeting at the end of March/beginning of April for our annual assembly. Members will be informed of a confirmed time and date for the meeting as well as other details. Stay tuned.
